

# SALICE SILENTIA<sup>®</sup>

## SOFT-CLOSE HINGE SYSTEM

The only Soft-Close hinge system that does not require extra attachments.

---

## THE ADVANTAGES

- ▶ Soft-close system integrated into the cup and invisible;
  - ▶ Patented;
  - ▶ Looks and functions like a standard invisible hinge arm and cup;
  - ▶ No interference with pantry and cupboard pull-outs;
  - ▶ Applications for 5/8" and 3/4" thick doors;
  - ▶ Functions with standard Salice drilling patterns and insertion machines.
-
